## Primary Care and Cancer Matters: Diagnosing Cancer Earlier

16 October 2019  
Kendleshire Golf Club, Bristol  
09:00 – 16:30 pm

Severn Faculty RCGP, Cancer Research UK with support from the SWAG Cancer Alliance invite GP's & GP Trainees to attend a free one-day workshop focused to support primary care.

There will be opportunities for group work, networking and reflection of how the event content will support your practice. Topics covered during the day will be:

- Increased awareness and knowledge of primary care and cancer matters
- Improved knowledge and understanding of early recognition and referral of symptoms of suspected cancer
  - FIT10 (FIT Symptomatic) vs FIT120 (FIT Screening) test & pathways
  - NG12 and top tips from NG12 (also cover GP support toolkits)
  - National Cancer Diagnosis Audit (NCDA) & SEAs
  - Suspected lung cancer pathways

This event is free and open to GP's & GP Trainees only.

For more information and to book your place, go to the Seven Faculty website
