

An Invitation to our online workshop

A recent study where Zetuvit® Plus was used has shown that the mean dressing change frequency decreased from 6 per week to 2.7[1] per week compared to the previous regime.

In a time when reducing patient contact is more important than ever, I would like to invite you to a free Microsoft Teams Lunch meeting. These will be 30 minutes in duration. CPD certificates will be provided.

Would you like to:

- Reduce dressing wastage
- Improve patient outcomes
- Reduce dressing change frequency

Join our **Live Microsoft Teams presentation**, covering:

- Reported outcomes and clinical indications (10 minutes)
- Julie Bateman, our LINK Partnership Manager and former TVN, practical demonstration with ideas get the most out of Zetuvit® Plus (10 minutes)
- Q&A (10 minutes)

Tuesday 18th August

1.00pm – 1.30pm

and also, on

Thursday 20th August
