Friday 4th February 2022 09:00-10:00

The South West Faculty of Advancing Practice invite you to a webinar to discuss the Annual Demand Scoping Survey for 2022

This survey allows NHS organisations in the South West to apply for HEE funding and support for Advanced Practice training and is open for 2022/23 applications from 1 February 2022 for 6 weeks.

In this webinar we will explain Advanced Practice, the SW Faculty funding offer for Advanced Practice training, give examples across certain specialist areas and answer your questions on the scoping application process.

Further information is available in the Faculty's Handbook for 22/23 which can be found on our [regional webpage](https://bit.ly/3t6Jwv1) (advanced-practice.hee.nhs.uk)
