guest speakers' profiles

Sammy Woodhouse is the victim of the Rotherham child sexual exploitation scandal, which she helped expose by giving an anonymous interview to The Times. Sammy now conducts events to share how to recognise that someone is being groomed. Sammy will be joining us virtually.

St Giles

Turning a past into a future

St Giles is a charity using expertise and real-life past experiences to empower people who are not getting the help they need, people who are hard to engage because

they have been failed time and time again. St Giles will be covering some interactive sessions with you all.

We're proud to be here for every child

The NSPCC will be here to share with you their 10-year strategy and discuss their

ideas including examples of good practice around peer-to-peer abuse and harmful sexual behaviour.
