

## Places available on the Talent Management Support Network for Black, Asian and Minority Ethnic (BME) Primary Care and Community Nurses, Midwives and Allied Health Professionals

*NHS England (London) in partnership with  
Health Education England (London)*

We are delighted to be launching our award-nominated **Talent Management Support Network (TMSN)** for **Primary Care Nurses, Community Nurses, Midwives and AHPs from BME backgrounds**. This is part of the commitment to equip and enable BME healthcare professionals to fulfil their career potential and aspirations.

TMSN uses an Action Learning Set approach. This programme will be delivered virtually by trained facilitators and includes opportunities to join webinars on topics identified by participants. All Action Learning Sets (sessions 1-6 below) will be half-days.
