

Entries for the Integrated Personalised Care Awards 2023 are now open !

The Awards Ceremony will be held on 12 December 2023

“ I didn’t feel so alone and isolated. It was lovely to speak to people with similar symptoms and feel part of something.”

Mel Richards & The GL11 Community Hub
Winners of Connecting People Award

“ For me, personalised care starts with a simple ‘What matters to you?’ conversation. With curiosity of the moment, we all can support people to have choice and control over their care.”

Helen Rostron
PCN Occupational Therapist
Winner of Seeing Me Award

“ Truly personalising care around the child and family can achieve some surprising benefits.”

Clare Mees
Children & Young People Continuing Care Team Leader
NHS Somerset
Winner of Using Our Money Well Award

“ Personalised care is utilising shared decision making to allow ‘what matters to you’ to be at the forefront of any conversations involving patient care.”

Gemma Richards
Clinical Lead (Personalised Care)
South Western Ambulance Service
NHS Foundation Trust
Winners of Shared Decision Making Award

“ When you stop seeing the problem and really see the person, that is when great journeys can really begin”

Natalie Mitchell & The High Intensity Users Team Cornwall
Winners of What Matters Award

“ Personalised care is about relationships and taking a holistic approach to empower people and give them the control they need to live the life they want.”

Community Connectors
Nicky Kinge Ella Dorsett
Medivo Wiltshire Centre For Independent Living
Winners of Giving Confidence Award

“ Personalised care is ... Making the time to walk in the shoes of another. Working in partnership, Putting the person at the centre of decision making ”

Rebecca Ramos
Social Worker
Court Protection Assessor
Winner of Seeing Me Award

“ Personalised care for us means giving people the ability to access local healthcare that fits their needs”

Rural Health Hubs
Winner of Collaborative Working Award

Listen to our stories....

“The purpose of personalised care is to empower people to lead the lives they want to live. Personalised care starts with a conversation with people about what matters to them. It builds on what people can do, as well as addressing their health needs.”
